

Prudential Business Internship Program 2020

Two UOWCHK/CCCU students participated in the Prudential Business Internship Program 2020 (15 June - 15 July). One of them came from Accountancy and another from Public Relationship & Advertising.

After the 30-day training, there will be graduate ceremonies arranged on 15 July 2020, all will be awarded certificates from Prudential Hong Kong.

The program is designed to include both fundamental knowledge as well as practical skills of Financial Planners. Experience practitioners will share their real-life work experience and critical success factors. Interactive group exercises are incorporated into the program not only to inspire and widen the scope of students in planning their future career path but also to enhance their commercial skills and interpersonal skills demanded in today's business world. After the Internship Program, some students will take another 2-day Licensing Courses of Insurance Intermediaries Qualifying Examination (IIQE) offered by Prudential Hong Kong.
