Outstanding Student Leader Award

WONG YUN KIT

Associate of Science in Environmental Studies

The teacher said she had noted Yun Kit's progressive improvements both academically and personally in the past year. As a matter of fact, Yun Kit has never let his teachers or parents down. In all his subjects throughout the past three semesters, Yun Kit obtained grades in the As or Bs ranges. Yun Kit is also very active in extra-curricular activities to maintain a healthy College life. He is a mentor in the programme's Student Mentorship Scheme and an orientation camp organizer. Outside the College, Yun Kit is a summer camp organizer for Cross-strait Medical students, participant in the Canon Photomathon 2018 and Organic Ambassador Training Scheme.
